Thriambak Giriprakash (Kash)	Jarrett Alexander	Biomedical Eng.
Bryce Hatfield	Josh Wood	Chemical Eng.
Nasser Hegar	Andrew Lund	Computer Eng.
Brian Huyge	Joshua Reitz	Chemical Eng.
Michael Johnson	Turner Tarrillion	Mechanical Eng.
Tazwell Long	Tom Gallery	Mechanical Eng.
Colton Mckay	Brad Pender	Mechanical Eng.
Aidan Moss	Cole Hanson	Computer Eng.
Stephen Payne	Josh Warning	Computer Science
Haiden Smith	Tom Meehan	Electrical Eng.
Bryce Snaguski	Nolan Hughes	Mechanical Eng.
Jacob Tebbe	Phil Bissmeyer	Electrical Eng.
Tyler Thenell	Mikey Holtz	Computer Eng.
Vincent Fan	James Usher	Mechanical Eng.

This fall, the chapter had a total of 18 New Members begin the New Member process. The new members have just recently started their projects, and they are all excited to begin their House and philanthropy projects. James Usher, the New Member director, has worked hard on making the new member process more engaging overall, so this year we've attached the pledge fathers, so if you'd like to reach out to a new member, you can contact their father. I know they are all looking forward to meeting the Alumni.

A photo of Bid Tuesday. Everyone met in the commons to go grab our new members!

## 2. Rush and Social Events

This year, Rush was a great success. With freshman enrollment being 15% below what the Rose-Hulman had expected, fraternities also saw a decrease in turn-out during events. Our Rush team handled this very well, focusing on a more personal Rush. This allowed for our events to be successful and organized. Below are some images of Stud Night and Mystery Road Trip.

Brothers and Rushees in Chicago for MRT

Brothers and Rushees at Stud Night (2018)

This year, we've also had a change in our Social Director. Jason Danford has begun running our social events. Below is a picture of one of the events he ran with Chi Omega, for Halloween. He is working diligently with both ACB and the executive board to make changes to how we hold social events. The goal is to create a safer environment for everyone that steps through our doors.

### 3. Homecoming and Delta Sig Housing

It was great to see all the Alumni that came back for Homecoming. Below is an image of some brothers and Alumni during the Bonfire.

As a reminder, there is a Delta-Sig Housing map with the link below. Continuing to fill this out will help Alumni connect with one another, as well Alumni connect with actives. I'd like to see it filled out as much as possible.

### 4. Alumni Engagement

This last fall, many Alumni came back to help with Resume building and career development. This was a great event. We had Jimmy John's, and then we went to Sonka's Pub afterwards. Alumni that were in the area also came back for a rush event, which was a formal dinner. It's been great to see the involvement grow over the last two years. The plans for the year that follows is to continue with professional development talks. This could consist of what to do after graduation, building up a LinkedIn, financial assistance, or perhaps starting your own business. If you have any interest in helping with this, please contact me (email below).

**What do you want to see in the Hare?**

**If you would like to see more of what other Alumni are doing or want to see more of something else, let me know.**

**That being said, if you have something to share and want everyone to know about it, share it with me and I can spread the word!**

**If you have any questions or concerns email me at [vantrejm@rose-hulman.edu](mailto:vantrejm@rose-hulman.edu), with subject: ALUMNI**
