Alumni Earns Recognition

Recently, Andy Williams, class of 88', was presented with the Career Achievement Award. Mr. Williams is the senior vice president of the Automotive and Power Regulation Group of ON Semiconductor and SCI LLC. I hope you all join me in congratulating him on his success.

Ball went off very well this year. We held it in Indianapolis, IN at the Sheraton in Circle Center. The view was gorgeous, everyone was dressed up, and the open bar provided much needed quenching of thirst! Everything went off without a hitch and we even celebrated a birthday! Everyone said the food was fantastic and were happy with the way ball turned out this year. So, all in all ball was great and next year will hopefully be even better.
YITBOS,
Guy

The 28th annual Basketball Marathon was a great time. We had a multitude of teams show up to play brothers in standard three on three and five on five games, including an entire team of Alumni. The annual Fat man, Skinny man game was a blast, as always. We were able to reach our goal of \$1500 for the babies. We're not sure on our final total yet... (Isn't the billing system great?) A three point contest was held to raise additional funds for Jason Napier and his family. We are happy to be able to send \$500 to help their cause.
Thanks for your support,
Zach Hawkins
ΔΣΦ –Activities Director

In this years Greek Games Delta Sig came out on top narrowly beating PIKE for the title of Greek Games Champions. We had a strong showing and had a great deal of support. We won the Tug-of-war and the Relay. We came in second in the Pyramid and the Field events. I hope this victory brings pride to those members who have always cheered Delta Sig on no matter what.

A message from the ELD:
This Hare costs approximately \$150 to print and mail to about 450 alumni. To help offset this cost, I am proposing that the next Hare be sponsored by an Alum. Any brother can choose to sponsor a single section (Rush, House, etc.) or the entire Hare and will receive appropriate recognition (along the lines of name/year/pledge class or even a short message). I hope to make this a recurring thing. Shoot me an email if you're interested in helping us out.
