Hello from Your Newly Appointed Alumni Director

Hello alumni. My name is Sean Kilker; I am the new Alumni Director for this year. I would just like to take a moment of your time to introduce myself to all of you. I am a freshman Chemical Engineering major from the small town of Forreston, Illinois (about 90 miles west of Chicago, near Rockford for any of you also from Illinois). I hope I can get to know a lot more of the alumni over the course of my term as AD, and hopefully you'll see me on the forums soon. I'm always looking to improve the HARE so you all are more receptive to reading it; so feel free to eMail me with any comments or suggestions you have for it.

YITBOS,
Sean Kilker, Alumni Director

Alumni Invade 6th Street, Country Bar Ensues

Sonka's Irish Pub's annual St. Sonka's Day celebration on March 20th beckoned more alumni than most people would be comfortable shaking a stick at back to Terre Haute. Alumni from numerous generations of Delta Sigma Phi history headed to Sonka's for a fine day of Irish celebration. Later that night, parking was at a premium on the corner of Oak and 6th street as alumni, new actives, prospective pledges, and current actives alike continued the celebrations long into the morning. A First Wok run was made the next morning, and rumors of a Chunder Special abounded throughout the fraternity. And, despite a number of attempts by the resident 90's Bar/Angry Bar Advocates to stop it, Country Bar, as it is wont to do, insinuated itself into the basement to the pleasure of some and the dismay of others. Happy St. Sonka's Day Alumni!

Spring Pledges

Kirk Hubbard

Kirk is a Civil Engineer from Greensburg, IN. He has chosen Frederick "Big Rick" Hering as his pledge father, whom Kirk "aspires to be like." Kirk is treasurer in the Outdoor Ventures Club, and plans on applying to be a Sophomore Advisor next year at Rose.

Mike Stewart

Mike is a Computer Engineering major from Loveland Ohio. He chose Mike Rooney as his pledge father. If you hand Mike a rubix cube unsolved, expect to get it back in a few seconds completely done. Mike (and Kirk) continue to add Speed 3's pledge total, which stands currently at eight.

Ball 2009-2010

This year's Delta Sigma Phi Ball will be held at the Sheraton Hotel in Indianapolis, the same place it was held last year. Ball will be held May 8th, starting at 7 p.m. and ending at midnight. Rooms have been made available in grouping for Delta Sigma Phi members who wish to spend the night. Have fun at Ball this year Delta Sigma Phi! Here's the official email from the social director:

Dear Brothers,

BALL is MAY 8th 7pm-Midnight.

It is at the same place as last year, the Sheraton in Indy.

The cost is \$35 per person.

Open bar will be for 2 hours.

If you want to go, reply and tell me:

1. If you have a date
2. If you and your date are 21
3. What you want to eat for dinner
4. If you want a room to stay the night

To contact Brother Stuart Falco, the Social Director in charge of this ball, his email is:

Alumni Submission Section

In our first meeting, the Alumni Committee agreed that an alumni submission section or something of that sort would make the Hare a great place for Alumni to express issues they are having or submit a fun story or too. If, as an alumni, you have any ideas, opinions, or goofy stories that you feel the rest of the alumni would appreciate, please do not hesitate to email me at kilkersr@rose-hulman.edu. Our original idea was to feature a "Distinguished Alumni" section, but as the Alumni Director, I feel as if it could branch out into even more than that. The Hare should be primarily for the alumni only, and I think this section would help the Alumni own the Hare more than they already do. If you aren't very good at writing articles or putting thoughts into words, just send the general information to me and I can work with you to get an article worked up for one of the Hares. If I get enough awesome alumni stories or articles, I would even like to expand this section into an alumni contribution page for the Hare. I know the forums exist for part of this, but if something is really important to you, hopefully we can help bring it out better than the forums can. Thanks,
The Alumni Director

BBM 2010

The Zeta Lambda held the annual Basketball Marathon on March 27th, 2010. We raised a little over \$2000 for the March of Dimes, which is over \$500 more than we raised last year, so congratulations to Zeta Lambda as a whole and to Ryan Schulten for planning the event. The annual Fat Man vs. Skinny Man game was a great success, and was of course dominated by the fat men. Also congratulations to Brothers Cody Fogwell, Will Swift, and Craig Schlachter for winning the 3v3 tournament, and thanks to the live Zeta Lambda band that rocked our socks off in the afternoon.

ACB Officer Retreat

March 20th, 2010 was the date the annual ACB Officer's Retreat was held in New Olin Hall on Rose's campus. Our ACB representatives and current fraternity officers spent that Saturday afternoon discussing current rush, house, accreditation, and various other concerns in order better the Zeta Lambda chapter. Big changes include a possible end to Vlad (the fence), and a separate checking account for the House Director so that he will not have to front money to purchase necessary house supplies.
