I'm Stephen Wuest, and it is an honor to be the new Alumni Director. I am on Co-op this quarter so a lot of the business I will be conducting will be through Kyle Quinn and Josh McCammon. That being said, I had a few ideas and input from some actives on new things the Alumni Director could do. An event that a decent amount of brothers are pushing for is an Alumni-Pledge outing. It's a chance for Alumni to meet the pledges that will be shaping our Fraternity over the next 4 years. The pledges seem genuinely excited about getting to know the Alumni who they hear stories about literally all the freaking time. It would be an opportunity for Alumni to come back, hang out with each other, go to the house and meet these glorious new pledges, and then retreat to Sonka's when they tire of the excitement and awe of the pledges. If you are interested in this event, I can figure out a date and an event if you contact me (by email please). I will take any feedback you give me and take it with a grain of salt because of the flighty nature of our Fraternity. I have a budget, make me use it!

YITBOS,
Stephen Wuest

Greetings,

I am the newly elected Treasurer. This year Zeta Lambda consolidated the Treasurer of Accounts Payable (TAP) and the Treasurer of Accounts Receivable (TAR) into a single treasurer position. There were several reasons for this change. Primarily, with the implementation of the Omega Fi online billing system, the TAR position was significantly simplified with regards to the position's workload; there wasn't enough work to go around to justify two separate treasurer positions. Also, having a single treasurer streamlines the overall accounting process since the treasurer is now on both the bank account as well as the Omega Fi account. This streamlining aids in the communication with the Engineered Leadership Director (ELD) and also aids in reimbursing members of the fraternity. Since there is only one treasurer on Executive Board instead of two, the House Manager position was elevated to the Executive Board to keep the same number of officers on Executive Board.

YITBOS,
Nick McDonough

Message from Activities Director

Hey all,

BBM was on May 4th this year. As most of you know, it's our annual fundraiser for the March Of Dimes Charity in support of preventing birth defects. We had quite a bit of events including a 3-on-3 tournament, 3-point shootout, and a knockout tournament, and did a great job of improving campus involvement from previous years. If you care to donate, feel free to contact me, at alvareap@rose-hulman.edu.

YITBOS,
Alex Alvarez
