3. Pig Pickin' and Ball

On Mother's Day weekend, we held Pig Pickin' and invited our families to come to the house and enjoy some well-cooked pig. A big shout-out to Double Z who did a terrific job organizing and running the whole event. There were many alumni who came back to the house and reconnected with the actives. The families had a great time getting to meet the actives and enjoy seeing the brotherhood.

The chapter also held Ball at the St. Louis City Museum. The actives had a fun time exploring the Museum and spending some quality time with each other. There was good food, great music, and amazing brothers.

4. New Alumni and Delta Sig Housing Map

This year we had 22 brothers leaving the fraternity as active members and becoming Alumni. They have left big shoes to fill and their impact on this fraternity will continue to show. They are all going off to do some exciting things and will definitely make a great impact on the world.

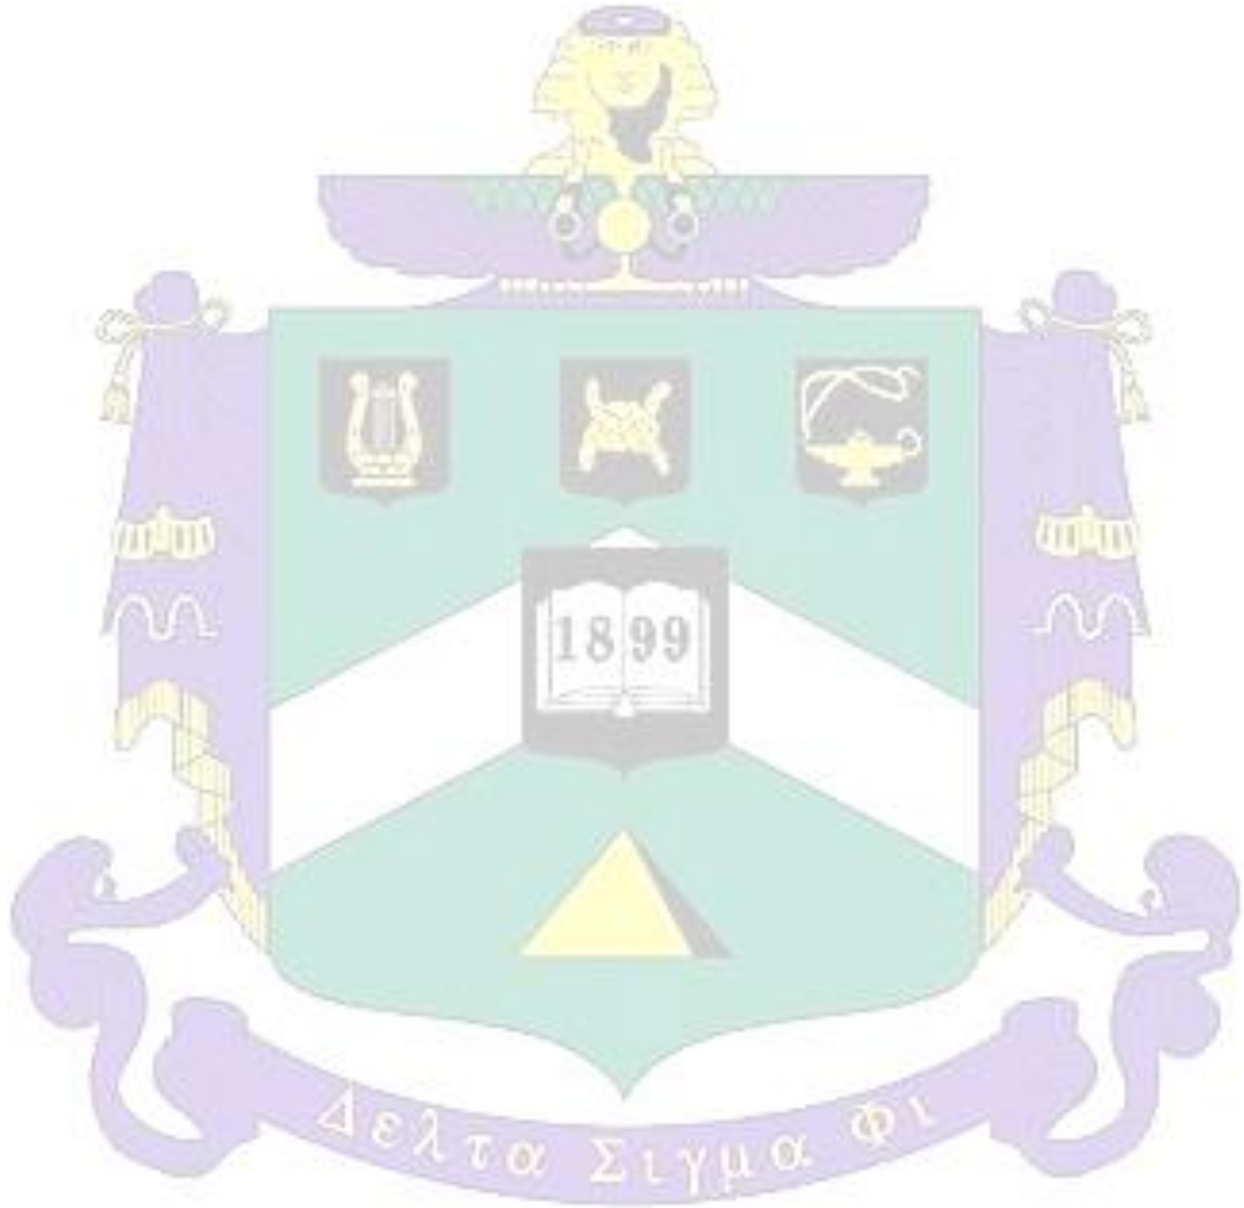

As a reminder, there is a Delta-Sig Housing map with the link below. Please continue to fill this out as it will help Alumni connect with each other and it will also help actives connect with Alumni. If there are new Alumni in your area, reach out to them and reconnect with them. I'd like to see it filled out as much as possible.

5. Alumni Engagement

The plan for Alumni engagement is to continue with professional development talks. This could consist of what to do after graduation, building up a LinkedIn, financial assistance, or perhaps starting your own business. If you have any interest in helping with this, please contact me by email at tebbejd@rose-hulman.edu .

What do you want to see in the Hare?

If you would like to see more of what other Alumni are doing or want to see more of something else, let me know.

That being said, if you have something to share and want everyone to know about it, share it with me and I can spread the word!

If you have any questions or concerns, please email me at tebbejd@rose-hulman.edu, with subject: ALUMNI
